

Mapleton School Community Council Meeting Minutes

January 8, 2024

In attendance: Cami Thomas (Principal), Larisa Hayden, Hali Newbold, Natalie Palmer, Jana Nance, and Katie Thorpe.

Absent: Alisa Liston, Margie Jordan

- 1) Pledge: Pledge was led by Hali Newbold
- 2) Digital Citizenship: We revisited our discussion from last month with Digital Citizenship so that parents had a chance to look over the information and then could come back with any questions. Parents felt good about what they read and didn't have further questions.
- 3) Wellness Plan: We revisited prior discussions from the start of the year where we talked about Lead the Climb and the support and focus it gives to the well being of students. We talked about funding for substance abuse and suicide prevention, and how we use the school wellness room, and the plan implemented by our school counselor. We also talked about the monthly lessons that our school counselor teaches to each class.
- 4) No other community or school concerns.
