Minutes:

- 1) Pledge- Led by Noel Trapnell

- 2) Share information from the district meeting on October 26th
 - Enrollment
 - High School Construction
 - WPU
 - Health and Wellness Clinic
 - Full Day Kindergarten
 - Period Products in K-12 Bathrooms
 - COVID Advances
 - School Safety
 - Library Book Reviews

- 3) Review of school funds
Talked about the amount of funding-\$79,000 and where we spend it. Technology and Technician support in Math and Reading.

- 4) Data Review and Discussion- Reading and Science scores dropped by 2%, but Math scores increased by 1%. We've added an Interventionalist and are doing Instructional Rounds to target our "POP"-Problem of Practice. This is a focus on adding rigorous, academic, and authentic tasks that support the rigor of small group teacher instruction. Data driven, system wide changes.

- 5) Other school and/or community concerns?
